

Warehouse Associate Job Description

Location

This position shall be located at the Mesquite Technologies headquarters in Odessa, TX.

Description

Mesquite Technologies was established in 2020 to provide comprehensive end-to-end production solutions in the United States shale market. Built on quality, innovation, and customer service, Mesquite Technologies provides optimal surface rod lift production equipment compatible with any wellhead and rod lift system.

Mesquite Technologies is seeking a skilled individual for our Warehouse Associate position in Austin. As Warehouse Associate, your opinion matters, your operational decisions shall be supported, your ideas shall be challenged, and you in turn are expected to challenge the thoughts and ideas of your peers, regardless of time or experience in the industry.

Visit our website at <https://www.mesquite-technologies-llc.com/> to learn more about the company.
